**RE: 111 SULLIVAN STREET, APT 2BR
NEW YORK, NEW YORK 10012 (the "Residence")**

Dear Ms. Laskowitz,

I am in receipt of your letter dated August 10th and with respect to your request, I submit this statement and with all due respect, I respond via email.

I have not submitted any false information at any time or filed fallacious claims with any enforcement agency. I was informed The Better Business Bureau does not enforce certain matters, and were deemed and represented in a laundry list actions, for instance:

**"COMPLAINTS ALLEGING DISCRIMINATION OR VIOLATION OF SIMILAR
STATUTORY/CONSTITUTIONAL RIGHTS.";**

The aforementioned complaint can be amended, and any evidence entered will also be subject to the enforcement by the Better Business Bureau, as deemed appropriate and in their purview in these matters.

Matters previously enforced by the Federal Trade Commission are applicable in this case, and to serve in the interest of proper controls, procedures, and a means of guidance and considerations of Reasonable Conduct by Corporations who conduct business in The United States. In light thereof, I will not cease and desist from providing the material facts, information, communications, and Objectionable Conduct which I have been subject to which need be adjudicated.

Your request to further restrain myself from providing information to the BBB and FTC in fact would enjoin myself in the fraudulent behavior(s) as referenced in the exhibits of this matter. As previously stated in my email to you on August 10TH: I will not aid, abet, or enjoin myself in your business dealings; notwithstanding State Farm Realty Insurance LLC, The Zucker Organization, Manhattan Skyline Corp., or whomever it is you have defensively attested to as "material", "involved", and responded in post-haste in light of the more recent documents entered as evidence which is available to the general public. More simply is Common Law, and public information as promulgated by the Automated City Register Information System ACRIS, which is also accessible on the internet for all to see.

With reference to you offer:
